Greetings from GLOBEHEAL 2025!

Dear Reader,
Welcome to the inaugural edition of GLOBEHEAL Conference newsletter. At a time in which communities are at the centre of public health strategy, GLOBEHEAL aims to enhance this across the public health domain by bringing together public health professionals from different corners of the world to raise awareness of this. Our focus is on empowering communities, fostering meaningful connections, and sharing actionable insights, to drive impactful health promotion initiatives. Join us as we work towards creating healthier communities through engagement, empowerment, and shared goals. Together, we can sculpt the future of Global Public Health!
