“Sculpting the Future of Global Public Health Together”

WHO WE ARE?

Together.

The International Institute of Knowledge Management (TIKM) is an entity that facilitates the purpose of Knowledge-driven and educationally empowered sustainable future for humankind by constructing the career of the research fraternity, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated ground-breaking solutions.

WHY CHOOSE US?

OUR VISION

We are facilitating the purpose of a Knowledge-driven and educationally empowered sustainable future for humankind by constructing researchers' careers, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated cutting-edge solutions.

OUR MISSION

"Developing a Sustainable future for humankind with our fundamental value system through Knowledge-sharing platforms, widely accessible publications, meaningful collaborations, cutting-edge technology, and other novel solutions."

CONTACT US

CONFERENCE OVERVIEW

Embark on a transformative experience at the Global Public Health Conference 2025, focusing on Community Engagement and Empowerment, taking place from February 20th to 21st, 2025, on a Hybrid Platform in Bangkok, Thailand.

This landmark conference provides a platform to reflect on achievements and address future challenges in global public health. Commemorating the conference's focus on community engagement and empowerment, our primary aim is to gather esteemed scholars, practitioners, and policymakers worldwide. Together, we will foster the exchange of ideas, share knowledge, and explore innovative solutions to contemporary public health challenges. Join us in this enlightening journey of collaboration and learning as we strive to create a healthier world for all.

“COMMUNITY ENGAGEMENT AND EMPOWERMENT: STRENGTHENING HEALTH PROMOTION INITIATIVES”

WHY ATTEND GLOBEHEAL'25?

Share

We cordially invite you to attend GLOBEHEAL 25, which has been meticulously designed to provide a rich and dynamic platform for the exchange of ideas and knowledge.

Network

The event will offer unparalleled opportunities to participate in international networking with leading scholars, researchers, and professionals from across the globe.

Advance

In addition, attendees will have access to a series of engaging workshops led by esteemed experts, which will enable them to develop and enhance their skills in their respective fields.

Experience

Whether you choose to attend in person or virtually, our event promises to be a valuable and enriching experience

OUR HISTORY

The **GLOBEHEAL'25** conference series is a highly respected global event in Public Health with over **5000+** vast network spanning 100+ countries and **500+** universities. It offers a platform for sharing groundbreaking research, engaging discussions, and thought-provoking presentations, fostering collaboration and learning

OUR PURPOSE

“Sculpting the Future of Global Public Health Together”

OUR VISION

"Inspire and Create Future Global Efforts in the Public Health Field"

OUR MISSION

“ To empower and engage professionals around the world, creating and developing the highest quality of innovative, educational, and academic content in the field of Public Health and improve the quality of health life moreover, to publicize scholarly works in this field effectively in a global manner to raise awareness and build bridges for advocacy endeavors. “

The purpose of GLOBEHEAL 2025 is **to create a dynamic platform for experts, practitioners, policymakers, and researchers from around the globe to engage in rigorous discourse and share innovative strategies aimed at enhancing healthcare accessibility and equity.**

GLOBEHEAL 2025 seeks to foster multi-disciplinary collaborations and stimulate action-oriented solutions, contributing to the global effort in achieving **the Sustainable Development Goals.**

We are committed to shaping a healthier future, where equitable healthcare is not a privilege, but a right accessible to all.

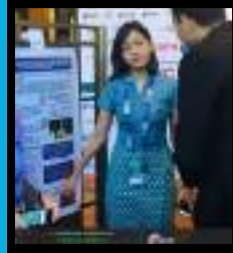

Here is the reason why

WHY CHOOSE US

JOIN THE MOVEMENT FOR

ENRICHING FEATURES

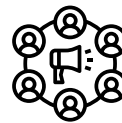

Actions You Can Take

•Research Presentations

Opportunity to present latest research findings

01

•Knowledge Dissemination

Share and distribute new knowledge, trends, and best practices in specific academic fields, promoting continuous learning and growth.

02

•Networking

Offer opportunities for academics, scholars, industry and policy makers to connect, facilitating potential collaborations, partnerships, and knowledge exchange.

03

•Interdisciplinary (research) Collaboration

Encourage discussions and collaborations between various disciplines, leading to more comprehensive and holistic research approaches.

04

•Industry and policy makers Collaboration

(GLOBEHEAL'25) presents a unique opportunity to bridge the gap between industry professionals and policy makers, fostering a collaborative environment that can lead to significant advancements in public health.

05

•Cultural and Geographical presence/Exchange

As these are international events, they promote a cross-cultural and cross-geographical understanding of research topics, accounting for global diversity.

06

JOIN THE MOVEMENT FOR ENRICHING FEATURES

•Professional Development:

Organize workshops, training sessions, or panels that help attendees enhance their academic skills, research knowledge, or teaching practices.

•Publication Opportunities/developments

With the aim of locating your research to the right destination, International Conference on Public Health (ICOPH 2024) has amplified its publication opportunities by partnering with TIIKM Publishing.

•Raise Awareness

Highlight pressing issues, challenges, or emerging trends in a particular academic field, drawing global attention to them.

•Recognition

Honor significant contributions or breakthroughs in the academic field through awards and honors.

•Fostering Global Academic Community

Strengthen the bonds of the global academic community, reinforcing the idea of collaborative progress and shared knowledge.

• Peer Review and Feedback for abstract, presentations and full papers

Provide a platform for researchers to receive constructive feedback from fellow experts and peers, enhancing the quality of their work.
